3 Bedrooms | 2 Bathrooms | 2,500 Sqft

This stunning new listing sits on over three acres and features a beautiful two-story, four-stall barn just steps from the home. The barn is thoughtfully designed with three standard 12x12 stalls and one oversized 12x24 stall, along with a fully equipped tack room with hot and cold water, a wash stall with hot and cold water, a tool stall, and a spacious hay loft. Be sure to take in the incredible views from the loft. A run-in shed is also located on the far side of the fenced pasture for added convenience. The outdoor spaces are ideal for both relaxation and entertaining, offering a tranquil koi pond, enclosed sunroom, back patio, and a charming rock & flower garden. Inside, the home features three generously sized bedrooms and two full bathrooms, arranged in a desirable split floor plan with flexible living spaces throughout. A 20x20 bonus room with built-ins provides endless possibilities. It can serve as a family room, playroom, man cave, hobby space, or even temperature-controlled storage. Just off the foyer, an additional room can function as a formal dining area, sitting room, or home office. The eat-in kitchen is equipped with a gas stove, built-in microwave, and a large pantry, all overlooking the beautiful backyard. It is an ideal space to enjoy watching your children and animals, from horses and dogs to goats and chickens. This is a rare opportunity to
