3 Bedrooms | 2 Bathrooms | 1,508 Sqft

This newly renovated 3-bedroom, 2-bathroom home in the Shamrock Gardens Subdivision offers a spacious 1,508 square feet of living space. The striking all-white brick exterior is accented with black and wood details that carry through to the interior, creating a cohesive modern aesthetic. The home features laminate flooring that mimics the warmth of wood, and an open-concept living area that flows seamlessly into the kitchen and formal dining space. The kitchen boasts stainless steel appliances, including a gas stove, along with freshly painted white cabinets adorned with black and gold handles. A speckled granite countertop is complemented by a unique black-and-white checkered backsplash, while a black and gold faucet adds a glamorous touch. Modern light fixtures throughout the home enhance the contemporary feel. The master bedroom is spacious, featuring an en-suite bathroom with a floor-to-ceiling tiled shower and a sleek glass entry. The vanity includes a modern vessel sink, adding to the chic design. The two additional bedrooms are well-sized, and the guest bathroom offers a bath/shower combo, single vanity with black cabinetry, linen closet, and stylish specialty tile flooring. A huge backyard completes the home, perfect for family gatherings and outdoor activities. This property beautifully combines modern updates with
