Incredibly rare find on Weiss Rd! This beautifully maintained and tastefully updated home sits on over 3 acres in Flood Zone X, offering privacy, space, and peace of mind that's hard to come by. From the moment you arrive, you'll appreciate how well cared for this property is, inside and out. The home features a functional and inviting layout with a spacious, updated kitchen that opens to a cozy breakfast area and a formal dining space. The dining area flows seamlessly into the large living room, where a fireplace anchors the space and offers plenty of flexibility for furniture and entertaining. The primary suite is privately set apart from the other bedrooms and includes a fully renovated en suite bath with dual vanities and a tub/shower combo. The additional bedrooms are located on the opposite side of the home and are all generously sized. With no carpet throughout the entire home features new vinyl flooring, adding to the clean, updated feel. Outside is where this property truly shines. Enjoy relaxing or entertaining under the expansive 28 x 24 covered back patio, plus the convenience of a detached rear carport. With 2.6 acres, the land offers endless opportunities for outdoor living, expansion, hobbies, or simply enjoying the privacy and open space. This is a rare combination of acreage, updates, great layout, and Flood Zone X don't miss your
