3 Bedrooms | 2 Bathrooms | 1,911 Sqft

Beautiful, move-in ready 3-bedroom, 2.5-bath home featuring an open floor plan with an architectural beam and gorgeous hardwood floors no carpet anywhere. The inviting living room includes a gas log fireplace with built-ins on each side, creating a warm and functional focal point. The kitchen offers a nice island with beautiful stone countertops, three pendant lights, stainless steel appliances, and a corner sink with a window, and opens to an adjoining dining area ideal for entertaining. The primary bedroom features hardwood floors and a built-in corner cabinet, while the en-suite bath includes dual closets, separate tub and shower with attractive finishes. A spacious laundry room includes new luxury vinyl plank flooring, washer and dryer, and a utility sink. The two additional bedrooms both offer walk-in closets and share a hall bathroom. This home provides abundant storage throughout and has been freshly painted. Exterior features include an attached double garage, a large detached workshop that is wired and well-lit perfect for projects or storage and a back patio with a pony wall for added privacy. Hurry this one will not last long.
