If you are looking for a home that offers comfort & a place to entertain hobbies like swimming and a craft/workshop area, this home has it! The layout is great for "living" and "resting" with all bedrooms on the opposite side of the home. The front porch is welcoming for guests while the backyard is for "fun in the sun" with the open wood deck & inground pool. There's also a hookup for an RV. Not sure you will find a better deal in this neighborhood. Wouldn't you like to enjoy your summer in your new home? "Come see!"
