3 Bedrooms | 3 Bathrooms | 2,440 Sqft

Great Location!! 3 Bedroom home with spacious Bonus that is large enough to be a 4th bedroom if needed (Was used as 4th Bedroom when the previous owner lived in the home). Upon entering the foyer you will see the great open floor plan with the spacious living room opening to the kitchen and dining area. The living room is great size, neutral colors and has a charming fireplace The large kitchen features a gas cooktop, an island with a breakfast bar and ample cabinets for storage and lots of counter space and double ovens. The dining room is open to the kitchen and living room and has large windows that allow a lot of natural light.. 2 of the bedrooms, a full bathroom and the laundry room are off living area towards the front of the home The Bonus area that could also be used as a 4th bedroom, playroom, office or sunroom is located towards the back of the home. The primary bedroom is nestled towards the back of the home. It is very spacious and has an en suite bathroom with dual sink vanity, soaking tub, separate shower, water closet and 2 walk-in closets and connects to the laundry room. You will find another full bath located closer towards the back of the home from the kitchen and close to the carport entrance. The patio area is awesome! It is oversized and has great views of the backyard. This home is move-in ready and sitting on a 1.63 acre
