Who doesn't love a beautiful new kitchen? With brand new gorgeous Leah Gold quartz countertops, a perfectly paired new backsplash, and a new large sink and faucet, this is a kitchen you will certainly want to call your own. The owner's primary suite has his and her separate vanities, and separate walk in closets. There are new blinds in all the windows, and with the updated paint this home is light and bright and so inviting. The living room is spacious and open to the dining and kitchen area, the home sits on a pristine corner lot, with a newer roof and HVAC unit. It is in Flood zone X so there are zero reasons to pass this one and every reason to check it out before it is gone!
