3 Bedrooms | 2 Bathrooms | 1,450 Sqft

This one just feels like home. From the moment you walk in, you'll notice the high ceilings and natural flow of the split floor plan. The kitchen opens effortlessly into the living room, making it easy to host gatherings. A fireplace adds the perfect touch of comfort, while the oversized primary suite creates a private escape with a spacious bathroom and walk in closet. Out back, you'll find a large fenced in yard ready for everything from quiet mornings to weekend get togethers. No flood insurance required and the roof was replaced in 2021!
