New Construction Done Right This one was built with care and it shows the moment you walk in. High ceilings, custom cabinets, quality trim throughout. The builder went the extra mile and it is easy to see. Outside is just as solid. Full brick exterior, concrete sidewalks out front, and great curb appeal before you even step through the door. The location puts you close to everything. Easy access to MLK, St. Charles, and Thibodaux makes getting around a non issue. If you want to come see it, reach out and we will make it happen.
