4 Bedrooms | 3 Bathrooms | 3,153 Sqft

This STUNNING new construction in the Hidden Lakes subdivision offers space, detail, and functionality. Elevated Homes offers an impressive blend of modern amenities and elegant features. Over 3,100 living in this home features 4 bedrooms, 3.5 baths, and a versatile flex room. This open-concept includes wood flooring, custom cabinetry, a built-in bookcase with a remarkable hidden storage door. The living area showcases coffered ceilings, a walnut floating console flowing seamlessly to the gorgeous kitchen with a waterfall island, and quartz countertops. The primary suite includes a unique cathedral ceiling, relaxing soaking tub, floating double vanities, custom tile with an arched opening bringing you into the shower. Large walk-in closet with tremendous space and storage. Additional features include walnut stair treads with wrought iron railing, a grand chandelier soaring 12 feet above the stairs, and a massive window you can see from outside the home. Spacious 2-car garage with additional bay providing space for storage or equipment. Set on approximately 1.01 acres, this home includes a front porch and a backyard patio with a fully equipped outdoor kitchen. Jam out with your own distributed audio system, set the mood with lighting control. This incredible home is adorned with too many custom features to count! Flood Zone X.
