This medical office located at 181 Corporate Dr is thoughtfully designed to deliver both functionality and sophistication, offering a spacious layout tailored to meet the demands of a modern professional environment. The interior features high-end finishes and contemporary architectural elements. Upon entry, visitors are welcomed into a design meant for comfort and efficiency with ample seating and a polished, professional atmosphere. The building includes a dedicated file room for secure document storage, as well as a fully equipped scheduling room and insurance billing room to support administrative workflows. Staff amenities are equally prioritized, with a comfortable break room, a utility room for operational needs, and a spacious work/copy room outfitted with modern equipment. A private executive assistant office and an expansive doctor's office provide quiet, professional spaces for focused work and leadership operations. The clinical and service areas are meticulously planned, including two fully equipped exam rooms, a procedure room, a nurse's room, a counseling room for confidential consultations, and a specialized photo room. Each space is designed with efficiency, privacy, and patient comfort in mind. Additional infrastructure includes a mechanical room and a dedicated computer/server room to support advanced technology.
