5 Bedrooms | 4 Bathrooms | 5,293 Sqft

This exceptional property truly has it all, offering space, functionality, and room to truly spread out. Situated on 1.7 acres, the home boasts over 5,000 square feet of living space with 5 bedrooms and 4.5 baths, providing an incredible amount of space both inside and out. Each bedroom includes its own dedicated bathroom, with one featuring a Jack and Jill layout, offering convenience and privacy for family and guests. The home features a formal dining room and formal sitting area, along with a spacious sunroom or recreation room perfect for entertaining, hobbies, or relaxing. A full-size office is conveniently located off the primary suite. Designed with both everyday living and entertaining in mind, this home offers expansive living areas, generous room sizes, and abundant storage throughout. Step outside to enjoy the saltwater pool and dedicated pool bath, all set within a large yard that provides endless possibilities, whether it's hosting gatherings, adding additional structures, or simply enjoying the open space and privacy that 1.7 acres affords. Additional highlights include copper gutters, a clay tile roof, and an oversized boat or recreational vehicle cover, giving you the space you need for all your equipment, toys, and more.
