2 Bedrooms | 1 Bathroom | 835 Sqft

Brick construction on a slab, with thoughtful updates throughout and a clean, refreshed kitchen. It is a more modest home, is solid and it sits on a good piece of land. The backyard has real space to it and mature shade trees that actually make it worth stepping outside. The interior has been updated and it shows. It is clean, it is functional, and it is ready to move in. Conveniently located at the front of Thibodaux, giving you quick access back to Houma or an easy drive further into town, depending on where the day takes you. Priced to move and set up for someone who wants to get in without a big project ahead of them.
