Nestled on 1.5 park-like acres, this estate offers a rare blend of architectural grandeur and serene natural beauty. As you approach via the crepe myrtle-lined driveway, the mature trees and lush landscaping create an immediate sense of privacy. The heart of the home is a magnificent large living room, anchored by a stately fireplace and framed by stunning architectural details. From here, step out onto the upstairs porch to enjoy elevated views of the sprawling grounds. For those who love to entertain, the floor plan flows seamlessly from the formal dining room to a spacious eat-in kitchen, perfect for morning coffee or family meals. This home is thoughtfully designed for multi-generational living or guest comfort, featuring two primary suites. The lower level adds a layer of sophisticated fun with a dedicated flex space complete with a wet bar, ideal for a media room, home gym, or executive lounge. The three car garage and large utility room add to the convenience of this home. On top of everything else this private retreat has to offer, it also stayed high and dry in 2016!
