Oakshire has been around long enough that people just know it. Convenient, established, and on the West side so you're never far from what you need with quick access to Thibodaux. The home is a 4 bedroom, 2 bathroom brick with an open layout that actually lives up to the word spacious. Plenty of storage throughout, which matters more than people think until they don't have it. Out back is the real bonus. The yard is fenced in and shaded enough that it feels less like a backyard and more like your own quiet corner. The kind of spot you actually use. Flood Zone X too, so no flood insurance required.
