This one has been done right. Freshly renovated from top to bottom, 4936 Cadillac St is ready for its next owner to just move in and enjoy. New roof in 2026, new AC to be installed by seller before closing, beautiful LVP floors throughout, and stunning quartz countertops in the kitchen. The open floor plan makes the space feel bright and airy, with natural light pouring in throughout the day. The bedrooms are spacious, and out back you have a nice sized yard with plenty of room to make it your own. Flood Zone X.
