3 Bedrooms | 2 Bathrooms | 1,850 Sqft

Come enjoy the new home feeling without the new home pricing. This 3-bedroom 2-bathroom has been updated with you in mind. The living room is generously sized and features tray ceilings, recessed lighting, and a ceiling fan. The kitchen, living room, and breakfast area provide a partial open floor concept that promotes social gathering but provides some privacy to the kitchen for the busy chef. The kitchen has been updated with granite counter tops, a subway tile backsplash, freshly painted cabinet with new hardware, and new stainless appliances. The bedrooms are all spacious and feature ceiling fans and walk-in closets. Need a 4th bedroom or a hobby room? This property has that too. Attached to the carport is a 400 square foot hobby room/Man Cave/She Shed/mother-in law suite/whatever you need it to be room with a full bathroom and walk-in closet. It would be the perfect hobby room or work from home office. The possibilities are endless. Take advantage of this home before it's gone! The seller is willing to assist with closing costs, so don't let this one get away. Schedule your private showing today!
