3 Bedrooms | 2 Bathrooms | 2,168 Sqft

NEW ROOF 2025! Great Location!! 3 Bedroom home with sunroom. Upon entering you will see the great open floor plan with the spacious living room featuring a charming fireplace with built-ins and open to the dining area and view of the sunroom. The dining room features wood floors and is located between the kitchen and living space. The kitchen features granite counters, a breakfast bar s/s appliances and custom cabinets. The laundry room is located close to the kitchen and offers a wall of cabinets for a lot of added storage. 2 of the bedrooms, a full bathroom, are off the living area towards the right of the home. In that hallway are more storage closets. The primary bedroom is nestled towards the back of the home off the kitchen area. It is very spacious and has room for a sitting area as well as an en suite bathroom with dual sink vanity, large corner tub, separate shower, water closet and a walk-in closet. You will find the sunroom off the living area and offers great views of the spacious fenced back yard area. This home is a must see!!
