3 Bedrooms | 2 Bathrooms | 1,532 Sqft

Located in the Bayou Blue area, this custom-built 3 bedroom, 2 bath home offers 1, 532 square feet of well-designed living space with features that go beyond the basics. The split floor plan provides added privacy, with a primary suite set apart from the additional bedrooms. Inside, the home has been freshly painted, giving it a clean, updated feel that s ready for its next owner. Alongside central A/C, the living room features a mini-split system built with storm season in mind. A generator hookup is already installed under the patio so you can power it during an outage without any extra setup. Portable generator not included. Outside, the fenced backyard includes double gate access, making it easy to bring in trailers, boats, or additional vehicles. There s no shortage of parking, and the garage features removable screens, offering a versatile space that can be used as a workshop, entertaining area, or simply enjoyed without the bugs. A solid, thoughtfully built home in Bayou Blue with practical upgrades that make a difference where it counts.
