4 Bedrooms | 3 Bathrooms | 3,270 Sqft

If you've been searching for that place where you can finally exhale, this is it. Tucked inside the gated Cessna Street community in Gonzales, this 4-bedroom, 3.5-bath home sits on a full acre and delivers the kind of space, elbow room, and quality that's hard to find at this price point. Step inside and the craftsmanship speaks for itself. Hardwood floors are found throughout, with tile in the wet areas...no carpet. The open triple-split floorplan makes great use of the space. The formal dining room is dressed with a coffered ceiling and elegant chandelier that's built for entertaining. The kitchen boasts custom cabinetry, granite countertops, gas cooktop, a pot filler, stainless appliances, and a sprawling island with bar seating that opens directly into the living room and breakfast area. The layout flows the way a family actually lives. The primary suite is tucked away on the main floor and does not disappoint, featuring a tray ceiling, spa-style ensuite bath, and dual walk-in closets. Upstairs, you'll find a bonus room with vaulted ceilings, a wet bar, wine cooler, and its own half bath. This is the kind of space that sells itself and can be used as a game room, man cave, guest suite, you name it. Out back, the covered patio with an outdoor kitchen, spacious porch and open patio creates a backyard setup that was built to host. The attached 3-car garage
