Looking for a place that feels like home the second you walk in? This two-story beauty has a layout that just makes sense. The main floor is all about easy living with the primary suite tucked away downstairs, complete with its own private bathroom and a walk-in closet that actually fits a full wardrobe. You will also find a super convenient half bath right off the living room so guests never have to wander through your personal space. Head upstairs and you will find two more bedrooms and a full bath, perfect for guests, hobbies, or a home office setup. There is even a walk-in attic which is a total game changer for anyone who needs extra storage without those cramped crawl space vibes. Outside is where things get really exciting because if you have toys, this home has space. There is a detached storage shed for your gear, an extra carport spot, and a massive RV sized parking cover so you can stop worrying about where to park the rig or the boat. With two AC units keeping the whole house perfectly chilled, you are all set for the warmer months. Come check it out and see the space for yourself!
