5 Bedrooms | 4 Bathrooms | 6,342 Sqft

Located in the highly sought-after Stone Bridge subdivision, this 5 bedroom, 4.5 bath estate sits on 5.37 acres on a corner lot, offering a rare combination of space, privacy, and thoughtful design. With over 6,300 square feet, this home immediately stands out for its scale and level of craftsmanship. Defined by sweeping brick arches, soaring timber-beamed ceilings, and a sophisticated mix of antique wood and brick-inlay flooring, the home is rich with character while still feeling warm and inviting throughout. The sprawling floor plan is engineered for both large-scale entertaining and everyday living, featuring two fully equipped kitchens with five ovens, a massive butler's pantry, a dedicated media room, a home gym, and multiple office suites. While the layout offers a wide range of spaces, it remains grounded and easy to live in, with a natural flow between rooms. The primary suite is a true standout, offering its own sitting area, private office, and direct access to the backyard. The space is highlighted by an oversized custom shower and a dressing room that feels like a private boutique. Dual vanities, a soaking tub, and a well-planned layout complete a bathroom that is both impressive and highly functional. Out back, the setting continues to deliver. Two ponds create a natural backdrop, while the heated saltwater pool with an underwater
