Located in Flood Zone X - This home has never flooded. Flood insurance is not required. More Peace of mind comes with the **BRAND NEW ROOF** (Installed March 2026) featuring 30-year architectural shingles and a freshly painted interior. Welcome to this stunning 4-bedroom, 3-bath residence in the highly sought-after Twelve Oaks Subdivision, offering the perfect blend of modern upgrades and architectural charm. The open-concept layout is anchored by gorgeous scored and stained concrete floors throughout the foyer, living, and kitchen areas. You will love the sophisticated architectural details, including a beautiful brick arch wall, timber beams, and triple crown molding. The chef's kitchen boasts custom built painted cabinets, slab granite, and an oversized sink, while the adjoining breakfast room features 2 massive plate-glass windows for ample natural light. The split floor plan offers a private primary suite with tray ceilings, his-and-hers closets, a corner jacuzzi tub, and a separate walk-in shower. On the opposite side of the home, a secluded guest suite features a dedicated office and private bathroom. Tech-savvy buyers will appreciate the smart thermostat and wired alarm system with motion detection. Step outside to a tiled back patio wired for speakers and TV, overlooking a backyard oasis with mature trees and a relaxing hammock area.
