4 Bedrooms | 2 Bathrooms | 1,912 Sqft

Built in 2021 on 1.63 acres in Denham Springs, this 4 bed, 2 bath home gives you the space and privacy that s hard to find with newer construction. A gated entrance and long driveway lead you back to the home, with a large shop up front that s perfect for storage, a workshop, or hobbies. Inside, the layout is open and easy to live in, with a spacious living area, gas fireplace, and plenty of natural light. The kitchen features a large island, quartz countertops, stainless appliances, and a gas stove, and flows right into the main living space. The primary suite offers a good amount of space along with a soaking tub, separate shower, and dual vanities. The additional bedrooms are well-sized and flexible. Out back, there s a large covered patio overlooking the property great for relaxing or entertaining. With over an acre and a half, you ve got room to do what you want, whether that s adding a pool, garden, or just enjoying the extra space. If you ve been looking for something newer with land and a shop, this one is worth a look.
