One-of-a-kind stunning home, perfectly situated on a half-acre lot in the highly sought-after Shadows Lake subdivision, just off S. Harrells Ferry Road. This home offers spacious, light-filled open living areas featuring soaring high ceilings, expansive windows that frame breathtaking views of the custom pool, and rich pine wood floors that flow seamlessly throughout the home. Every detail has been thoughtfully curated, from the intricate crown molding and custom millwork to the Italian tile in every bathroom. The chef's kitchen is a true showstopper, anchored by a stunning granite island and outfitted with top-of-the-line Thermador appliances, including a 6-burner gas cooktop with griddle, a matching wall oven and microwave combo, and a built-in 6-foot refrigerator/freezer package. This 5-bedroom home offers exceptional flexibility with two suites that can serve as primary bedrooms, plus a dedicated home office and a versatile upstairs bonus room with its own private balcony overlooking the resort-style backyard. Outside, the custom pool, mature palm tress, and covered patio create your own private retreat, perfect for entertaining or unwinding in Louisiana style. Major updates provide peace of mind: roof only 2 years old, new fence installed in 2024, one HVAC unit replaced in 2024, and full HVAC service completed in 2026.
