3 Bedrooms | 2 Bathrooms | 2,404 Sqft

Welcome to modern living with room to work, play, and unwind. This beautifully built 2023 home sits on a desirable corner lot and offers 3 spacious bedrooms, 2.5 bathrooms, and a dedicated home office perfect for remote work or a quiet retreat. Designed with comfort and functionality in mind, the open-concept layout is ideal for entertaining, featuring stylish finishes and abundant natural light throughout. The primary suite provides a private escape with a well-appointed en-suite bath and generous closet space, while the additional bedrooms offer flexibility for family or guests. What truly sets this property apart is the impressive 30' x 30' detached shop fully heated and cooled making it ideal for hobbies, a workshop, storage, or even a business setup. Enjoy the benefits of newer construction with modern systems, energy efficiency, and low maintenance, all in a home that's move-in ready. With the added space and curb appeal of a corner lot, plus a dedicated office and versatile shop, this property offers the perfect blend of comfort, convenience, and functionality.
