Tranquility...Privacy...Luxury. The only way to describe this stunning hidden gem in the heart of Prairieville. This custom designed and built home features 4 bedrooms, 2 full baths, and 3 half baths. A true chef's kitchen overlooks the expansive open living room and dining area with gorgeous exposed wood beams. Reclaimed knotty pine floors throughout most of the main level create a feeling of warmth and welcome. Interior brick in the entryway and kitchen welcome guests to an immediate view thru to the expansive landscaped outdoor gunite saltwater pool area complete with full kitchen, brick fireplace, and lots of seating. The kitchen boasts a dream 48" 6 burner and griddle Thermador gas range, large walk in pantry any chef would love, and a huge center island with seating for 6 where family and friends can gather. The primary bedroom has windows across the rear overlooking the large open backyard, 3 acres of land to be exact, ensuring your complete quiet and privacy. The primary bath has a nice zero entry walk in shower, separate soaking slipper tub, his and her walk in closets, and vanities. The living room and outdoor patio both have very nice all brick wood burning fireplaces with gas starters. Upstairs is a large bonus area with a half bath that is perfect for entertaining, office, extra living, or maybe a movie theater. So many possibilities.
