Want a wonderful weekend retreat on the Amite River?? or you can live there full time and enjoy the Amite every morning over coffee on the upper deck. Upstairs living space is two bedrooms, two baths, full kitchen and dining area. The third bedroom was removed to increase the size of the den. Love the views from all the windows. This could be a magical place with some improvements. Downstairs is an assortment of rooms, such as workout area, garage, mans cave extravaganza, half bath and etc. This is the area that flooded in 2016. The deck off the front lower area is rotted and will need to be replaced. Property is being sold in AS IS condition and pricing reflects the needed repairs.
