3 Bedrooms | 2 Bathrooms | 1,510 Sqft

This home features three bedrooms, two bathrooms, and a two-car garage with a functional layout designed for everyday living. The main living area offers an open flow between the living room, dining area, and kitchen. The kitchen includes stainless steel appliances and a large center island offering ample counter space. This home offers a split floor plan, in the front of the house you will find two bedrooms that share a full second bathroom. The primary suite is conveniently located near the living room with a view of the back yard. The suite includes a walk-in closet and en suite bathroom with a double vanity. Additional features include a tankless water heater, a security system, and a covered patio with space for outdoor seating and entertaining. Situated in a walkable neighborhood with sidewalks and community amenities, residents have access to a pool, clubhouse, and playground nearby.
