4 Bedrooms | 2 Bathrooms | 2,379 Sqft

Nestled in a peaceful, private setting surrounded by blooming camellias, azaleas, magnolias, and at least eight varieties of mature trees, this charming 2-story home offers 4 bedrooms, 2 full baths, and 2,379 square feet of comfortable living space. Enjoy serene outdoor views from the inviting sunroom, welcoming front porch, covered back patio, or unwind in the evenings on the private balcony accessible from the spacious primary suite. Designed with both comfort and functionality in mind, this home features an open floor plan with true country charm. Two bedrooms are conveniently located downstairs, with two additional bedrooms upstairs, including an oversized upstairs room that offers endless possibilities for a home office, game room, or media space. One upstairs bedroom is already outfitted as a media room. The kitchen is perfect for entertaining and family gatherings, featuring granite countertops, an eat-at breakfast bar, updated appliances, and refreshed cabinetry. The primary bath has been newly updated, adding a modern touch to this warm and inviting home. Additional features include a rear balcony off the primary bedroom and walk-up attic access for added storage and convenience.
