Gated convenience in the middle of Mid City just waiting for you to call it home! This lovely 2 bedroom 2 bath condo has warm brick walls with lots of natural light. The sleek kitchen greets you as you walk in, with custom subway tiles on the countertops and a large opening that looks out into the living and dining areas. There is a washer dryer in the condo that was installed for a homeowners convenience- not all of the units here have washer units in the condo, so this is a great feature! The 2 bedrooms are spacious, with the primary bedroom being anchored by a brick wall that really adds depth and character to the space. Outside living includes common areas and a lovely pool to cool off in during the hot summer months. Call today for your showing.
