Here's a sweet charmer in a wonderful location in the Walker School District, quiet, with a large, privacy-fenced yard. Well-maintained with updated granite, no carpet, large rooms, and walk-in closets. All stainless steel appliances remain, as well as the washer and dryer. There's an 8x9 Morgan Building for additional storage, as well as a storage room. The living room is spacious with a wood-burning fireplace. The wrought-iron gate adds character, and the flower beds are waiting to be brought back to life. The roof was replaced here in 2021. This is one to see in person!
