Step inside and instantly feel the difference in this beautifully updated Baton Rouge home filled with custom touches and thoughtful upgrades throughout that create a clean, modern feel. The open-concept layout offers the perfect balance of comfort and functionality for everyday living and entertaining alike. The spacious living and dining areas flow seamlessly into a stunning kitchen featuring granite slab countertops, subway tile backsplash, under-cabinet lighting, stainless steel appliances, and custom real wood cabinetry that provides both style and storage. The primary suite offers a relaxing retreat with a walk-in closet complete with custom shelving and a private en suite bath designed with upscale finishes. Both bathrooms have been tastefully renovated with granite countertops, custom tiled showers, and updated fixtures. Bedrooms two and three are generously sized and each feature built-in desks, making them ideal for work, study, or creative space. The bonus room near the garage offers flexibility and would make an excellent home office, gym, or playroom. Step outside to a large covered patio overlooking a peaceful backyard perfect for relaxing evenings, weekend gatherings, or enjoying your morning coffee. Homes with this level of care, updates, and functionality rarely last long. Schedule your private showing
