Welcome to a true equestrian paradise, a classic Louisiana estate set on over five secluded acres in Zachary. A private gated entry opens to a scenic oak-lined driveway winding past a tranquil pond with a fountain, setting the tone for everything that follows. Designed with both horse and rider in mind, the property is fully fenced with horse-safe fencing and centered around an impressive 80x60 multi-bay barn. Two gated pasture sections allow for easy horse rotation and turnout management. Automatic waterers, freeze-resistant hydrants, a commercial-grade barn fan, and a Shoo Fly bug misting system provide year-round comfort and convenience for both horses and owners. In addition, the property features a substantial 40x50 workshop with a climate-controlled office/tack room and oversized 10- and 12-foot roll-up doors- ideal for equipment storage, ranch operations, hobbies, or additional workspace. A welcoming front porch leads into nearly 4,000 square feet of living space featuring 4 bedrooms, 3.5 baths, a formal dining room, and an expansive upstairs game/media room perfect for gatherings. Authentic Louisiana craftsmanship shines throughout with 8-ft Cypress interior doors with beveled glass, brick flooring, and a timeless brick arch framing the kitchen and dining areas. The living room features rich wood floors, sweeping views
