Stunning custom home in sought-after Pelican Point! From the gas lantern portico and French double doors to the soaring foyer, every detail impresses. The open floor plan features hardwood floors, tray ceilings, crown molding, a stone fireplace with custom built-ins, and walls of French doors opening to the covered patio and resort-style backyard. The chef's kitchen boasts custom walnut cabinetry, a granite island with bar seating, professional DCS gas range, microwave, wall oven, warming drawer, built-in wine rack, wet bar, and walk-in pantry. The formal dining room connects seamlessly to both the kitchen and pool area. The luxurious primary suite features a spa bath with dual vanities, soaking tub in an arched niche, and a frameless glass shower with pebble floor. Three additional bedrooms with laminate floors, two full baths, powder room, private office with custom built-ins, and a bonus/media room complete the interior. Outside, enjoy a heated fiberglass pool with brick waterfall, covered patio with ceiling fans, privacy curtains, and mature landscaping, all fully fenced. Make your appointment today to see this beauty!
