4 Bedrooms | 3 Bathrooms | 2,757 Sqft

Better than new, this fabulous 4 bedroom, 3 full bath home has an abundance of amenities. The open floor plan has soaring 14 ft. ceilings, columns, and extensive molding. It is a triple split floor plan. The gourmet kitchen features slab granite, white cabinets, farmhouse sink and upgraded DCS stainless appliances. The breakfast room/keeping room, den and primary bedroom all overlook the lake. Custom wood floors are found throughout the home. Two computer nooks are great for handling household business, homework or a work from home set up. Each bath has custom framed mirrors and granite countertops. The primary bath has all of the bells and whistles plus a custom built shower. The four seasons sunroom is great for entertaining or watching the kids play. The covered deck with low maintenance composite wood flooring and the fenced yard are added bonuses. The front veranda with its ceramic tile and lush landscaping is a delightful place to spend your evenings. This one is definitely worth seeing.
