This custom-built showstopper sits on a quiet cul-de-sac in the heart of Zachary, just a short walk from Northwestern Middle School and Zachary High School. Offering 4 bedrooms, 3.5 baths, a spacious bonus room, and a private mother-in-law suite with its own separate entrance and full bath, this home has space for everyone. The mother-in-law suite and bath are not included in the 4 bedroom, 3 1/2 bath count. The long driveway provides plenty of parking and leads to a convenient boat port tucked toward the back of the property. Enjoy peaceful mornings on the inviting front porch, or spend afternoons entertaining in the backyard oasis featuring a pool, covered patio, and expansive deck space. Inside, the attention to detail is endless. Highlights include a spacious kitchen with abundant counter space, a stunning wood-vaulted ceiling in the primary suite, and an oversized upstairs bonus room complete with a full bath and additional bedroom. This home truly has it all! I'd love to schedule a private tour for you!
