4 Bedrooms | 3 Bathrooms | 2,610 Sqft

Beautiful lake lot home featuring 4 bedrooms, 3 full baths, and a desirable triple-split floor plan filled with natural light. The spacious kitchen offers gorgeous granite countertops, a gas range, tons of countertop space, abundant storage, and a cozy keeping room perfect for gathering. On one side of the fireplace, you'll find the private primary suite complete with an en suite bath featuring a separate shower, soaking tub, and huge walk-in closet. On the opposite side of the home are two additional bedrooms and a full bath. Down the hallway toward the garage is a separate bedroom and full bath, along with a mudroom area and an oversized laundry room large enough to double as an office space with room for a desk. Additional highlights include built-in storage shelves in the garage and a roof that is only 3 years old. This one will go fast. Schedule your private showing today!
