5 Bedrooms | 2 Bathrooms | 2,927 Sqft

Nestled on .68 acres in the desirable Lisa Park neighborhood, this spacious two-story brick and stucco home offers comfort, convenience, and room to spread out both inside and out. Set on a well-maintained lot with a spacious garage, double carport, and large metal workshop overlooking multiple fruit trees, the property provides plenty of space for work, storage, and outdoor enjoyment. A whole-home gas generator and storm shutters offer added peace of mind, while the expansive backyard creates the perfect setting for relaxing or entertaining. Inside, generously sized rooms throughout give the home an open and comfortable feel. The downstairs primary suite features a roomy ensuite bath with a soaking tub, walk-in shower, and double vanity. Upstairs, three large bedrooms and a full bathroom provide ample space for family or guests. The main level also includes a half bath and a newly enclosed bedroom in place of the former office/dining area, offering added flexibility for today's living needs. A cozy fireplace and picture windows overlooking the backyard bring warmth and natural light to the space.
