Beautiful secluded tract of land located in Denham Springs!!! Have it all with a huge lake, privacy and located near everything. Feel like your out in the country but minutes to the interstate, shopping, schools and medical offices. This incredible location is unique and could be a great family estate, recreational spot for fishing, boating or relaxing. High and dry...flood zone X. Lots of trees and seclusion. Must see to appreciate all that it offers. Make your appointment to take a look.
