3 Bedrooms | 2 Bathrooms | 1,474 Sqft

Built in 2020, this 3-bedroom, 2-bath home offers modern construction and a spacious setting on over 1 acre in Walker. The property provides a balance of open space and everyday functionality, with ample room for outdoor use, recreation, or future improvements. Inside, the home features a practical layout designed for comfortable daily living, with well-proportioned bedrooms and common areas that support both routine and gathering. The newer construction offers the benefit of updated systems and materials, contributing to ease of maintenance. Conveniently located with access to Walker and nearby Denham Springs, the property allows for a quieter setting while remaining connected to shopping, dining, and major roadways. A wonderful opportunity combining newer construction with the freedom of acreage living.
