A home of rare distinction, masterfully reimagined from the ground up. From its commanding curb appeal to its thoughtfully curated interiors, every detail has been considered. Soaring ceilings and generously proportioned rooms set an immediate tone of refined living. The chef's kitchen is anchored by a striking quartzite island, complemented by professional-grade appliances, bespoke cabinetry, and an exceptional walk-in pantry. The residence offers two gracious living rooms one warmed by a gas fireplace, the other appointed with custom library built-ins alongside a dedicated receiving room ideal for intimate gatherings. The primary suite is a private sanctuary, with pool views, a spa-caliber ensuite featuring dual water closets, a center-island closet with refrigerator, a soaking tub, glass shower, and an in-suite washer and dryer. A whole-home Sonos audio system extends seamlessly from interior to exterior. Outside, a covered lap pool with integrated air conditioning creates a resort-like retreat in any season. A detached garage already plumbed awaits conversion to a full mother-in-law suite with bath.
