Life is the best on Jester Dr. Cute as a button with curb appeal that's hard not to smile at. The interior is quaint but functional all around. Walking in you'll be greeted by the living room's natural light and low maintenance tile flooring. The same flooring flows into the dining and kitchen. Your kitchen has been nicely renovated with granite counters, subway tile backsplash, and open shelving to give you a hint of Chip and Jo. All bedrooms and baths are down the hall and have ample space and storage with your primary being the most spacious. You've got lots of green space for your backyard perfect for grilling and chilling. Roof is under a year old. You're also close to lots of groceries, dining, and interstate access. Come see it!
