Experience refined Southern craftsmanship in this exceptional custom residence, a collaboration between renowned architect Al Jones & master builder Michael Montgomery of Audubon Builders. Engineered to be fully hurricane-proof & showcasing dramatic 13-foot ceilings, this home is a rare architectural treasure. Every detail has been thoughtfully curated: an antique marble fireplace mantel, hand-selected antique beams, wide custom baseboards, and a sophisticated wet bar complete with an icemaker. Chef's kitchen features striking granite countertops, a professional-grade gas range, additional electric wall oven, & an oversized dishwasher, complemented by a full Sub-Zero refrigerator and freezer. Function meets elegance with a spacious laundry room, food pantry, & a separate china pantry, each outfitted with sleek pocket doors. Energy-efficient low-E vinyl-clad windows, sun-protection film, and plantation shutters ensure year-round comfort. The luxurious primary bath offers a spa-like retreat with a multi-head shower, Ultra Bain air-jetted tub, slab-marble countertops, marble tile flooring, stained-glass accents, & a bidet. Guests enjoy their own indulgence with a Kohler jetted tub in the secondary bath. This home blends timeless character with modern resilience, a truly extraordinary offering. Schedule your private
