3 Bedrooms | 2 Bathrooms | 1,273 Sqft

Nestled on a spacious lot, this beautifully maintained 3-bedroom, 2-bath home offers the perfect combination of comfort, convenience, and outdoor living. Recent updates include a new roof installed in 2024 and freshly repainted stucco on the front exterior, enhancing both curb appeal and peace of mind. Step inside to find a bright, inviting floor plan filled with natural light and designed for effortless everyday living. The spacious living area features a cozy gas-burning fireplace, creating the perfect focal point for relaxing evenings at home. The open layout flows seamlessly into the dining area and kitchen, making entertaining family and friends a breeze. The kitchen is both stylish and functional, featuring granite countertops, stainless steel appliances, and nearly new gas appliances, including a stove and microwave that are only three years old. Home chefs will appreciate the gas burners and built-in griddle, providing versatility for everything from quick breakfasts to holiday meals. The private primary suite offers a peaceful retreat complete with an en suite bathroom, while two additional bedrooms provide ample space for family, guests, or a home office. Outside, you'll discover a backyard designed for enjoyment. Cool off in the above-ground pool, relax under the gazebo, or host gatherings in the fully fenced yard. A standout feature is the brand-new
