4 Bedrooms | 2 Bathrooms | 2,408 Sqft

Welcome to this gorgeous 4-bedroom, 2-bath home located in the highly desirable Lakes at Jamestown subdivision. Featuring a spacious split floor plan, this home is thoughtfully designed for both comfortable living and effortless entertaining. The kitchen is a chef's dream with granite countertops, custom cabinetry, a gas stove, wall oven, wall microwave, and a large island with counter seating. The refrigerator will remain with the home. Adjacent to the kitchen, you'll find a convenient computer nook and a formal dining room that flows seamlessly into the grand living room. The living room is highlighted by a gas ventless fireplace framed by an elegant mantle, creating a warm and inviting atmosphere. Crown molding throughout the home adds timeless charm and sophistication. The generously sized primary suite features beautiful wood flooring, a tray ceiling, and a private en suite bath. Relax in the garden jetted tub or enjoy the separate shower, double under mounted vanities with granite countertops, an oversized walk-in closet and extra cabinets for storage. All additional bedrooms offer ample space and comfort. The laundry room includes cabinetry for storage, and the washer and dryer will remain with the sale. Step outside to enjoy the fully fenced backyard with a wood privacy fence, perfect for outdoor gatherings or simply relaxing in total privacy.
