3 Bedrooms | 2 Bathrooms | 2,148 Sqft

Located in High Plains Subdivision, this 3 bedroom, 2 bath home offers a spacious layout, fresh updates, a large covered front porch, and a backyard with plenty of room to relax and entertain. With two living areas and an open floor plan, the home provides space for both everyday living and gathering with family and friends. The expansive living room features a corner fireplace, abundant natural light, and an open flow into the kitchen and breakfast area, creating a comfortable central gathering space. The kitchen offers ample cabinet and counter space, a breakfast bar for additional seating, and a layout that stays connected to the main living areas. Just off the foyer is a formal dining room and there is a second living area could serve as a sitting room, home office, or hobby space. The spacious primary suite includes dual vanities, a large tub, separate shower, and an oversized walk-in closet. Two additional bedrooms share a full bath, while a large laundry room offers extra storage and everyday convenience. Recent improvements include fresh paint, updated lighting, new laminate flooring, and an upsized HVAC system replaced inside and out in 2021. Outside, the covered back patio with a ceiling fan overlooks the large backyard providing plenty of space for outdoor activities, entertaining, or just relaxing. A storage shed/workshop offers
