4 Bedrooms | 3 Bathrooms | 2,991 Sqft

Beautiful 4-bedroom, 3.5-bathroom two-story home on 3.67 picturesque acres. Designed for both everyday living and entertaining, the chef-inspired kitchen features custom cypress cabinetry, a large center island, double ovens, a gas cooktop, breakfast bar and walk-in pantry. The inviting family room showcases an antiqued brick arch and overlooks the backyard patio, while flowing seamlessly into the dining area. The private primary suite is tucked away with serene views and a spacious ensuite bath with double vanities, a separate shower, and a large walk-in closet with custom built-ins. Upstairs, the versatile fourth bedroom offers endless possibilities as a game room, media room, home office, or guest suite; complete with a private bathroom and walk-in closet. Outdoor amenities include a covered back porch, covered pavilion, and extended patio. Additional features include an outdoor kitchen located in the third-car garage bay, a 32x50 workshop, RV port, and garden area. For added convenience and peace of mind, the home is equipped with a whole-house generator. Spacious, versatile, and thoughtfully designed, this exceptional property offers the perfect balance of indoor comfort and outdoor enjoyment.
