Welcome home to this beautifully maintained, like-new home in Pelican Crossing! Built in 2020, this property offers modern finishes, thoughtful upgrades, and a spacious open floor plan designed for comfortable everyday living. The heart of the home features a large granite eat-in island, granite countertops, energy-efficient appliances, and a seamless flow between the kitchen, dining, and living areas, perfect for entertaining or gathering with family. Custom floating shelves add a stylish touch beside the fireplace, creating a warm and inviting focal point. The spacious primary suite offers a relaxing retreat with a large garden tub, separate shower, and custom closet system designed for organization and functionality. An additional bedroom also features a custom closet system for added storage. Enjoy outdoor living with the recently expanded covered back porch, additional concrete patio space, and screened-in outdoor area, creating the perfect space to relax or entertain. The exterior of the home is enhanced with Govee permanent outdoor lighting installed around the home, offering customizable colors and patterns for holidays, seasons, or everyday ambiance. Additional upgrades include an updated garage with organizational shelving, granite finishes throughout the kitchen and bathrooms, custom storage solutions, and energy-efficient
