This corner lot home sits in flood zone x, has quick quick access to Southdown Mandalay and Hollywood extension, and in Mulberry School District. Corner lots always feel more private even though you have the conveniences of a neighborhood. This home haws a post Ida roof, and has just been freshly painted with new laminate flooring! It's an open floor plan with traditional features such as a beautiful brick fireplace with wrought iron accents, convenient floor plugs (a rare find). Dine in Kitchen has enough room for a large kitchen table to accommodate all of your entertaining needs. A doggie door for our furry friend if needed, and fabulous natural lighting. We have an island with an electrical outlet for help finding a spot for that instapot. The kitchen cabinets are stunning solid wood, and bonus, a pantry. Walk in utility that is so large it can fit an extra freezer. One of the bedrooms could be a flex space for play room or office as it is located off of living room. Main suite is spacious with ensuite bath, double sinks, stand alone shower and tub. The back yard is fully fenced, you will find an attached storage and detached storage.
